

Partners Healthcare Employee Assistance Program Mothers' Corner Lactation Rooms

The Mothers' Corner is a program for MGH, BWH, BWFH, Partners and MGH Institute of Health Professions employees and students returning to work and classes after maternity leave. The Mothers' Corner provides employees with the opportunity to continue breastfeeding while back at work and school. An efficient, electric breast pump is provided in most private, comfortable rooms so working mothers can express their milk while at work or school.

How do I gain access to the rooms?

Please complete the on-line registration form or contact the EAP at 1-866-724-4327 one week prior to your return to work. Registration forms can be found on our [EAP Website](#).

What equipment will I need?

You will need to purchase pump tubing set which is compatible to our pumps. An insulated carrier with an ice pack to transport the milk home is necessary, as breast milk must be kept cool.

How to purchase Medela Symphony pump attachments?

BWH: Vending Machine on Connors Center for Women (CWN) 6th floor

MGH: Gift Shop 617-726-2227

Medela: 1-800-435-8316 (to locate a Medela dealer nearest you)
