

Raising a Bilingual Child: Finding Strategies That Work Best for Your Family

Date: Tuesday, October 10, 2023

Time: 12–1 pm (Eastern Time) by Zoom

When it comes to raising a bilingual or multilingual child, there are both general rules of thumb and specific considerations for each individual family. In this program, Jacqueline Toscano, SLPD, CCC-SLP, and Amy Izen, MS, CCC-SLP, will discuss how we can support bilingual and multilingual language development in children with the understanding that “one size does not fit all.”

Please note: This program will be presented in Spanish only. To view a recording of this program in English, go to: tinyurl.com/bilingual-child

- This program is free and open to Mass General patients, families, staff, and the general public.
